2022 FORD TRANSIT 250 CAMPERVAN

$79,900 + GST

Stock: 3360

Live the #Vanlife you've always dreamed about with an expertly crafted campervan conversion. Fully insulated and 4-season ready Ford Transit campervan has low KMs and ready for all your future adventures. Inside you'll find a beautiful interior with white cabinetry, wood panelled ceilings, wood floor tiles, and rustic accents like the live-edge shelf and simple to use water system. Keep warm with the B4 Airtronic Eberspacher gas heater and cruise the open highways with the popular Ford Ecoboost 3.5L turbo engine. The 250W solar kit and chassis charge line, plus external battery charger, ensures you have available power all the time. AMVIC Fitness Assessment Completed. Ready to go or be further customized to suit your own adventures. Ask for details. Camperized materials list below.
